

# West Virginia Home Instruction Notice of Intent

*(West Virginia law does not require that notification of a family's intent to homeschool be on a form or in any particular format. However, this form may be submitted by those families who prefer to use one.)*

This is notice of my intention to homeschool under exemption (c)(2) of WV Code §18-8-1.

Evidence of my high school diploma or equivalent is attached  **OR** on file  (check one)

Children who will receive home instruction:
